Carrying, wearing or using cell phones, earbuds, or any other electronic device is strictly prohibited during any APA league match (both regular session and higher-level tournament play). Each player must be ready to approach the table when their name is called (please get off your phones at this time). Any delay in the match due to phone conversations, texting and/or social media usage on a cell phone will be considered a sportsmanship violation. **Please note that No Headphones, Ear Buds, Bluetooth Devices, Cell Phones, or Smart Watches of any type may be worn by any player, during any APA match (this includes regular session and higher-level tournament play).**

Remember you're there to have fun and play pool, not to be on your phone. **Home by 11pm is our Goal!** Please do your part and be ready when your match is called.

During all APA HLT Events, it is also mandatory that electronic devices be left outside of the playing area. Give your phone or electronic device to a teammate to hold until your match is over. Usage of cell phones by our referees is also prohibited.
