

HOW TO FIND OUT IF YOU MADE THE END OF SESSION PLAYOFFS

Step 1 ... From the chart below, determine the day and time when the desired playoff information will be available from the League Office.

Step 2 ... Call the League Office at 410-255-5400 Option #9 and follow the instructions given by our automated Voice Mail System. Be sure you enter the correct three-digit Division #, when prompted to do so.

Step 3 ... If you make it into the Playoffs, matches are played at the team's host location that finished higher in the standings. Baltimore area teams play their "Finals" at the New Green Room on the designated dates.

WHEN AND WHERE ARE THE TIER-1 & TIER-2 SEMI FINALS PLAYED?

Both Tier-1 and Tier-2 Semi-Finals will be played on the same night of play. Home field advantage goes to the team(s) that is higher in point standings (provided tables are available at their hosting location); otherwise, matches are to be played at the opponent's hosting location. If tables are unavailable at the opponent's hosting location, the match will be scheduled at one of the other taverns within the division; normally a tavern (with an available table) whose team finished higher in point standings.
